

# Follow Ben for a safe fireworks night

Don't forget  
your gloves.

**Ben loves fireworks night.** To make sure he stays safe every year, he follows the **Firework Code**.

**BIS**

Department for Business  
Innovation & Skills

Fireworks will scare your pets, so keep them safely indoors.

If you are given a sparkler, always wear gloves. Always hold sparklers at arm's length and only hold one at a time.

Never give sparklers to a child under five.

Only adults should handle and light fireworks.

When you are watching fireworks, always stand well back.

When a sparkler goes out, **DON'T TOUCH IT.** It could still burn you, so put it in a bucket of water, hot end down.

You have to be **18 years old** before you are allowed to buy fireworks in the shops.

**Never play with fireworks.** They are dangerous and can hurt you.

Never go near a firework when it has been lit. Even if it hasn't gone off, it could still explode.
