1. Basic Principles

- 1.1 These Orders apply to all Authority contracts with the exception of employment contracts or any contract relating to the engagement of counsel.
- 1.2 Failure by an Officer to comply may result in disciplinary action being taken against that Officer.
- 1.3 These Orders set down the minimum requirements. A more detailed procedure may be appropriate for a particular contract.
- 1.4 In interpreting and applying these Orders, where there is a difference:
 - (a) EU Procurement Directives and EU case law take precedence over both English law and these Orders; and
 - (b) English law takes precedence over these Orders
- 1.5 A contract includes the following:-
 - (a) any contract for goods, works or services, including disposals
 - (b) any order for goods, works or services
 - (c) a grant given or received by the Authority
 - (d) a contract managed by consultants
 - (e) a contract appointing consultants
 - (f) any partnership arrangement
 - (g) contracts relating to the disposal or purchase of land and buildings.
- 1.6 Purchasing and disposal procedures must:
 - (a) Achieve best value for public money spent;
 - (b) Be consistent with the highest standards of integrity;
 - (c) Ensure fairness in allocating public contracts;
 - (d) Comply with legal requirements;
 - (e) Ensure that non-commercial considerations do not influence any contracting decision;
 - (f) Support the Authority's corporate and service aims and policies;
 - (g) Comply with Financial Regulations and Health and Safety requirements;
 - (h) Be able to demonstrate that the Authority's interests have not been prejudiced or exposed to undue or unmanaged risks; and
 - (i) comply with any monitoring arrangements required by the Authority from time to time.

2. Responsibilities of Officers

2.1. Officers

- (a) Every Officer dealing with contracts must have written authority to do so. This can be in their job description or in written delegated authority.
- (b) Officers responsible for purchasing and disposal must comply with these Standing Orders relating to Contracts, the Financial Regulations and the Employee Code of Conduct together with all UK and EU/EC legal requirements.
- (c) Officers must comply with any prevailing guidance issued by the Chief Finance Officer or his or her nominee.
- (d) Officers must use any relevant corporate contract which is already in place.
- (e) Officers must keep the records to show a clearly documented audit trail. The Officer has a duty to produce such records when requested to do so by the Monitoring Officer, Chief Finance Officer, or Chief Fire Officer and Chief Executive or their nominees.
- (f) Officers must ensure that agents and consultants acting on their behalf comply with the requirements referred to in Standing Order 2.1(b) above. Such consultants must not make any decision as to whether to award a contract or to whom a contract should be awarded.
- (g) Officers must take all necessary legal, financial and professional advice.

2.2 Chief Fire Officer and Chief Executive

The Chief Fire Officer and Chief Executive must:

- (a) Have delegated powers for the contract or ensure that the project has the formal approval of the appropriate Committee of the Authority;
- (b) Ensure that there is full budgetary provision for the contract and that the sources of funding are fully detailed before starting the contract process;
- (c) Ensure that no tender is accepted where it exceeds the approved budget/cash limit by more than 10% unless prior written approval is obtained from the relevant Committee of the Authority;
- (d) Ensure that expenditure is fully contained within the approved budget/cash limit unless prior approval has been obtained from the Committee of the Authority;

 - (i) the contract reference number;
 - (ii) the contract title;
 - (iii) the name of the contractor;
 - (iv) the total contract value;
 - (v) the contract start and end date
 - (vi) duration of any option to extend
 - (vii) the contract review date
 - (viii) the name of the Officer responsible for the contract
 - (ix) the contract category/type

3. Partnerships

Officers considering a partnership arrangement must before starting the contract process obtain advice from the Chief Finance Officer or his or her nominee who will advise on the partnership options available to ensure a workable partnership including appropriate governance arrangements.

4. Exemptions

- 4.1 Exemptions are subject to the requirements set out in this Standing Order. An exemption allows a contract to be placed by direct negotiation with one or more suppliers rather than in accordance with **Standing Order 8**. Exemptions under this Standing Order cannot be granted if EU Regulations apply.
- 4.2 If an Officer requires an exemption from one or more Orders in an emergency, the Chief Finance Officer can provide this. A report must be made to a Committee of the Authority subsequent to the award of the contract. An emergency means a situation involving risk of injury or loss of life or risk to the security or structural viability of a property.
- 4.3 If an Officer requires an exemption from one or more Orders where there is no emergency and the estimated value is below the European threshold, this requires the prior approval of the Chief Finance Officer if the value is up to £50,000; or prior approval of a Committee of the Authority if the value is over £50,000 or more. Approval will be given in exceptional circumstances only, such as:
 - (a) special expertise or manufacturing capacity is required for which only one source has been identified. In this case a written quotation shall be obtained from that source; or
 - (b) special expertise or manufacturing capacity is required which is only available from such a limited number of sources that competitive tendering is not practicable. In this case all sources shall be invited to provide quotations.

5. Requirements for all contracts

- 5.1 Every contract must be in writing and must state:-
 - (a) the goods, works or services to be provided;
 - (b) the agreed programme of delivery;

- (c) the price and terms of payment
 - (d) all other terms that are agreed;
 - (e) exit procedures, for when the contract comes to its natural end, and
 - (f) termination procedures for early termination of the contract including when the contractor has not fulfilled his contractual obligations.
- 5.2 Every contract must comply with Financial Regulations and corporate procurement guidance, including EU Procurement regulations, where necessary.
- 5.3 Every contract shall include standard clauses approved by the Chief Finance Officer or his or her nominee on:-
- (a) Anti Fraud and Corruption
 - (b) Equal Opportunities
 - (c) Health and Safety
 - (d) Freedom of Information and Data Protection
 - (e) Time of the Essence (for contracts for goods)
 - (f) Liquidated Damages
 - (g) Safeguarding
- 5.4 The Chief Finance Officer or his or her nominee shall be responsible for the safekeeping of all executed contracts.

6. Steps Prior to Letting a Contract

- 6.1 Before letting a contract, an officer must:
- (a) identify whether there is an existing corporate contract already in place;
 - (b) estimate the total value of the contract. For example, if the subject matter of the procurement is worth £15,000 over 5 years, the total value of the contract will be £75,000;
 - (c) ensure that the contracting process is not used to create separate contracts in order to avoid the requirements of Contract Standing Orders or the requirements of the EU procurement regulations;
 - (d) ensure that there is sufficient budgetary provision for the goods or services required;
 - (e) ,if leasing arrangements are proposed, obtain prior approval from the Chief Finance Officer;
 - (f) take into account the outcome from any strategic service review, if appropriate;
 - (g) define the objectives of the contract;
 - (h) provide evidence in writing that the risks that are associated with the contract have been assessed and suitable arrangements have been or can be put in place to manage them;
 - (i) evaluate what procurement method is most likely to achieve the Authority's objectives, including internal/external sourcing, sourcing

through a public sector consortium, packaging strategy or collaboration with another organisation;

- (j) consult users as appropriate about the proposed procurement method and standards for the contract;
- (k) take into account the whole-life costs of the contract;
- (l) retain evidence that the above steps have been carried out for examination by internal or external auditors;
- (m) ensure confidentiality when dealing with contractual matters. Officers must not disclose any information regarding tenders to anyone who is not involved in the selection process; and
- (n) in circumstances that it is likely that employees will transfer to a new employer as a result of a contract, seek legal advice from an appropriately qualified source with regard to the application of TUPE (Transfer of Undertakings (Protection of Employment) Regulations 2006.
- (o) if the procurement is for the provision of services, consider how what is being procured might improve the economic, social and environmental well-being of Buckinghamshire and Milton Keynes, and in conducting the process of procurement, how that improvement might be secured in the procurement process taking into account any consultation that may have been undertaken by the Authority.

7. Requirements to Ensure Competition

7.1 Where the total value of the contract is less than £50,000, Officers may identify potential candidates using the most cost-effective and reasonable methods. This may include reference to advertising, catalogues, business directories etc.

7.2 Where the estimated value of a contract is:

(a) Up to and including £10,000

One written quotation is required. This can be a written confirmation by an Officer of an oral quotation. The aim of the Officer responsible for the contract shall be to obtain the best value for money for the Authority.

(b) Over £10,000 and up to and including £50,000

Contracts must be advertised according to EU procurement law. The Officer responsible for the contract must before starting the contract process obtain advice from the Chief Finance Officer or his or her nominee

- (e) **Any Value**

The Officer responsible for the contract may use a Framework or Consortium Agreement but before starting the contract process must seek advice from the Chief Finance Officer or his or her nominee.

EU procurement law requires compliance with the principles of the free movement of goods, the right of establishment the freedom to provide services, non-discrimination and equal treatment, transparency, proportionality and mutual recognition.

Contracts which fall outside of the Procurement Directives either by reference to value or type must still be let in accordance with the guidance contained in the European Commission Interpretive Communication

- 9.1 As an alternative to advertising contracts, Officers may use approved lists to select tenderers. However, approved lists cannot be used where the total value of the contract exceeds the EU procurement threshold.
- 9.2 Where the Chief Finance Officer or his or her nominee decides that a select list of approved Contractors shall be maintained, at least four weeks before the list is compiled or reviewed Public Notice (as a minimum via the Authority's website and E tendering system) inviting applications for inclusion on the list must be given. In addition, each Contractor already included on any relevant list shall be asked whether they wish to remain on it.

 - (c) compliance with environmental, health and safety, equality and diversity standards as determined by legislation and as may be approved by the Authority

- 10.3 The pre-agreed criteria for assessing the bid must not be changed after tender proposals have been opened.

11. Invitations to Tender/Quotations

- 11.1 The Officer must ensure that Invitations to Tender and Invitations to Quote include a specification. The specification must describe clearly the Authority's requirements in sufficient detail to ensure the submission of competitive bids which may easily be compared.
- 11.2 The Invitation to Tender or Invitation to Quote must state that the Authority is not bound to accept any Quotation or Tender.
- 11.3 All candidates invited to tender or quote must be issued with the same information at the same time and subject to the same terms. Any additional information or amendments to the specification must be provided to the candidates on the same basis.

- 12.3 In the case of contracts let under the EU Procedure, the advice of the Chief Finance Officer or his or her nominee must be obtained.
- 12.4 Where appropriate, Officers may decide not to shortlist and to send Invitations to Tender and evaluate all submissions.

13. Submission, Receipt and Opening of Tenders/Quotations

- 13.1 Candidates invited to bid must be given adequate time in which to submit a quotation or tender. At least four weeks must be allowed for submission of tenders and the EU Procedure sets out specific time periods.
- 13.2 Requests for quotations and invitations to tender will be issued and received electronically via the Authority's E tendering system. Tenders will be released to the market electronically.
- 13.3 The Chief Finance Officer shall be responsible for the safekeeping of tenders. All tender documentation will be held electronically within the E Tendering system.

14. Clarification Procedures

- 14.1 After the tender opening, it may become apparent that one or more of the potential contractors that have submitted bids have misinterpreted the specification. If it is clear that this is a result of an error or ambiguity in the specification, the responsible Officer must consult the Chief Finance Officer or his or her nominee as to whether all the contractors should be provided with revised specifications and given the opportunity to revise their tender.

15. Tender Evaluation

- 15.1 Confidentiality of tenders/quotations and the identity of tenderers must be maintained at all times. Information about one tenderer's response must not be given to another tenderer.
- 15.2 Officers must evaluate and award the contract in accordance with the award criteria in the Invitation to Tender.
