

# Buckinghamshire & Milton Keynes Fire Authority

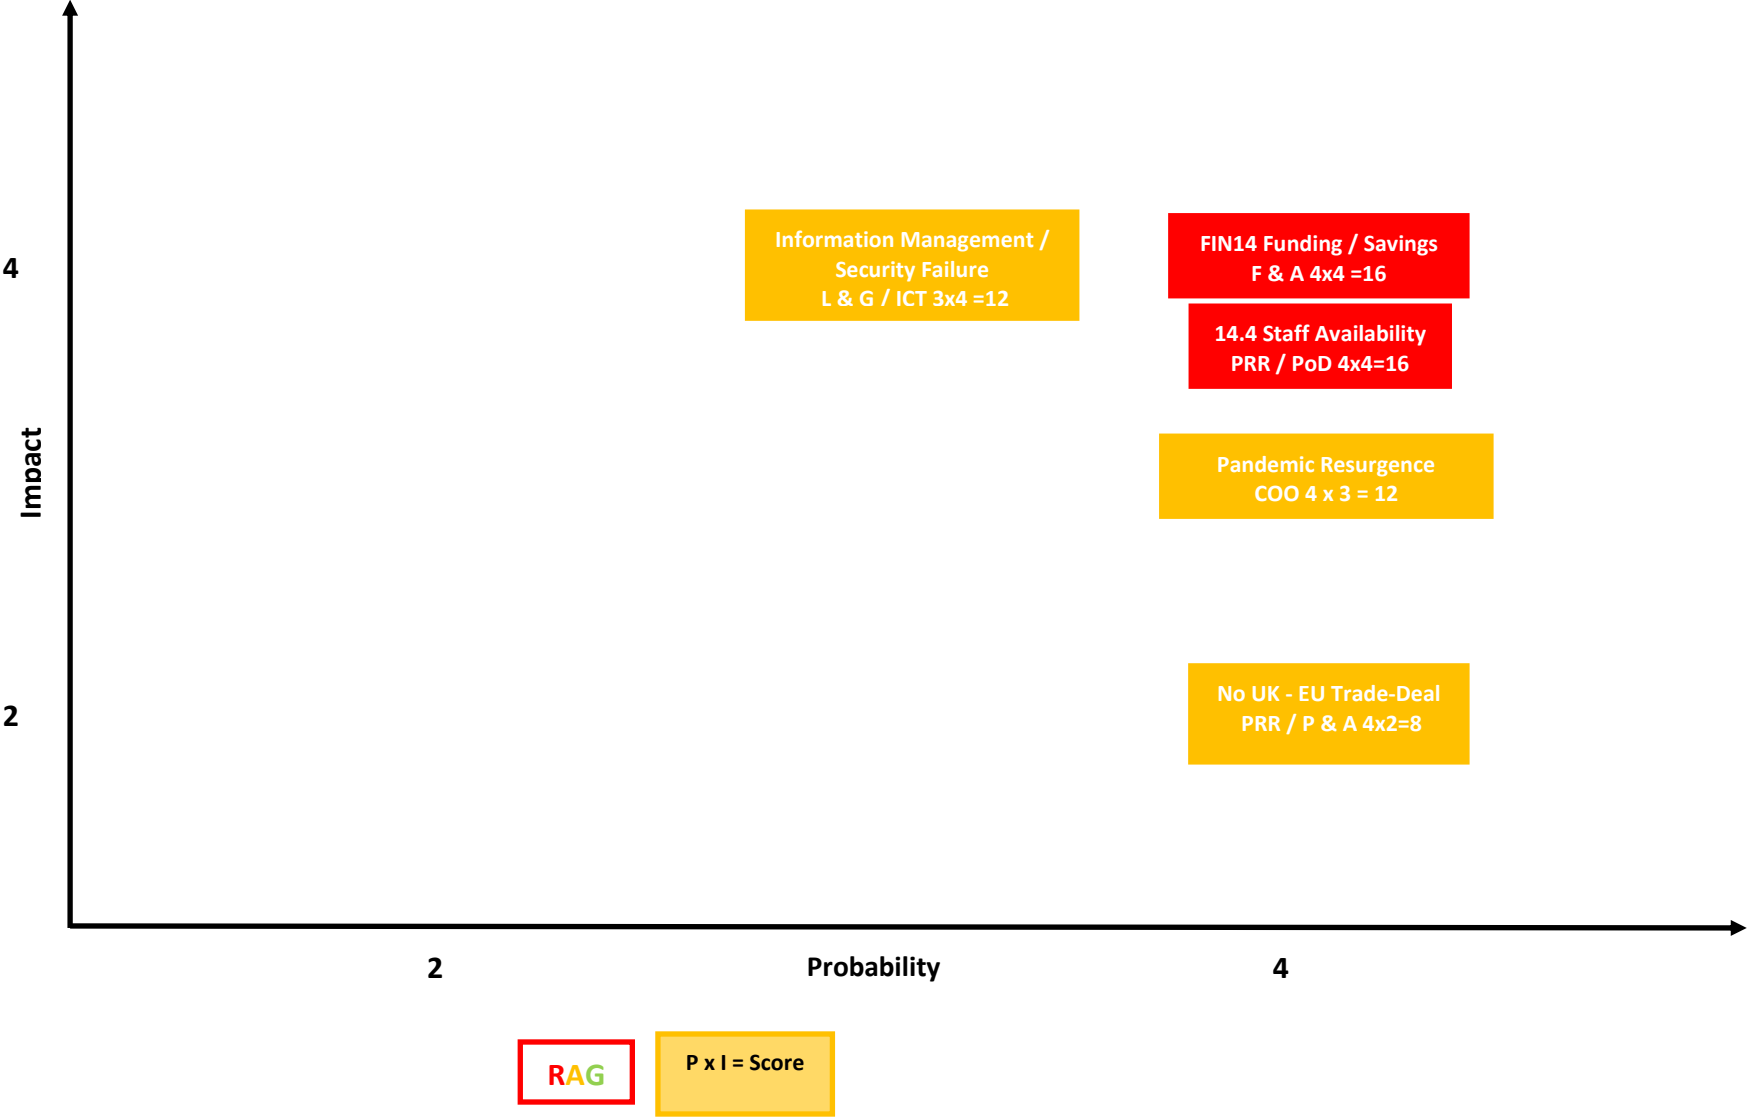

<b>MEETING</b>	Overview and Audit Committee
<b>DATE OF MEETING</b>	11 November 2020
<b>OFFICER</b>	Graham Britten, Director of Legal & Governance
<b>LEAD MEMBER</b>	Councillor Keith McLean
<b>SUBJECT OF THE REPORT</b>	<b>Corporate Risk Management</b>
<b>EXECUTIVE SUMMARY</b>	<p>This report provides an update on the current status of identified corporate risks. Risk registers are maintained at project, departmental and directorate levels. Corporate risks are those that have been escalated from these levels for scrutiny by the Strategic Management Board (SMB) because of their magnitude, proximity or because the treatments and controls require significant development.</p> <p>Officers draw on a range of sources to assist with the identification and evaluation of corporate risks. For example, membership of the Thames Valley Local Resilience Forum (TVLRF)'s Strategic Coordinating Group (SCG) facilitates active monitoring of a range of risks with the potential for impacts on local communities and services including, at the present time, Coronavirus (COVID-19) and UK - EU post transition period risks (D-20).</p> <p>Our involvement with the Local Resilience Forum directly links us into national Government agencies and departments such as Public Health England and the Ministry of Housing, Communities and Local Government. This allows us to share intelligence and information with those who are making decisions at the very highest levels.</p> <p>The TVLRF SCG enables its partners to jointly develop combined responses to civil emergencies, and strategic consequence management. Matters under regular review include Covid-19 outbreak, winter pressures and D-20. This multi-agency partnership approach helps target our activity directly to the needs of the public.</p> <p>The Corporate Risk Register was last reviewed by the Performance Management Board (PMB) on 8 October 2020 and SMB on 20 October. At the PMB meeting:</p> <ul style="list-style-type: none"> <li>All the directorate risk registers were reviewed but no items were identified for escalation to the Corporate Risk Register;</li> </ul>

	<ul style="list-style-type: none"> <li>• No changes to the Corporate Risk scores were recommended;</li> <li>• The UK – EU trade agreement risk was updated to reflect the latest known position in relation to a GDPR adequacy decision (as indicated at page 8 of Annex C); and,</li> <li>• The potential to mitigate staff availability risks via FRS priority access to Covid-19 testing was added (see update at page 10 of the Corporate Risk Register at Annex C).</li> </ul> <p>The current distribution of corporate risks relative to probability and potential impact is shown at Annex A.</p> <p>Changes to the corporate risk ratings over the last year are shown at Annex B.</p> <p>Detailed assessments of identified corporate risks are shown in the Corporate Risk Register at Annex C.</p> <p>The next Overview and Audit Committee review is scheduled for 17 March 2021 preceded by reviews at the 4 February PMB, at which all the directorate risks will be scrutinised, and 16 February 2021 SMB.</p>
<b>ACTION</b>	Decision
<b>RECOMMENDATIONS</b>	<p>It is recommended that:</p> <ol style="list-style-type: none"> <li>1. the status report on identified corporate risks at Annex C be reviewed and approved; and,</li> <li>2. comments be provided to officers for consideration and attention in future updates/reports.</li> </ol>
<b>RISK MANAGEMENT</b>	<p>The development, implementation and operation of effective corporate risk management structures, processes and procedures are considered critical to assure continuity of service to the public, compliance with relevant statutory and regulatory requirements and the successful delivery of the Authority’s strategic aims, priorities and plans.</p>
<b>FINANCIAL IMPLICATIONS</b>	<p>No direct financial implications arising from the presentation of this report. It is envisaged that the further development of the Authority’s corporate risk management framework will be undertaken from within agreed budgets.</p>
<b>LEGAL IMPLICATIONS</b>	<p>None directly arising from this report. Any legal consequences associated with the crystallisation of individual risks are detailed in the Risk Register report at Annex C.</p>
<b>CONSISTENCY WITH THE PRINCIPLES OF THE DUTY TO COLLABORATE</b>	<p>The potential to share corporate risk intelligence with neighbouring FRS and other relevant agencies will be considered. BMKFA already participates in the multi-agency Thames Valley Local Resilience Forum which</p>

	produces a Community Risk Register which is among the sources used to identify potential risks to the Authority.
<b>HEALTH AND SAFETY</b>	Development of the framework does not impact directly on the legal compliance to health and safety, however if risks are not appropriately identified then this may present Health and Safety risks.
<b>EQUALITY AND DIVERSITY</b>	No direct implications from the presentation of this report. However, risks to achieving the Authority's equality, diversity and inclusion objectives or compliance with relevant statutes or regulations are identified assessed and managed via this process and are currently monitored within the People and Organisational Development Risk Register.
<b>USE OF RESOURCES</b>	<p>The development of the risk management framework complements the governance framework and business processes as a critical cog in the system of internal control and makes better use of our people resources by giving them clearly defined areas of responsibility.</p> <p>Senior managers and principal officers are key stakeholders in the development of the framework and have an active role in its development at every stage. The lead Member will also be involved in the development of the framework with particular responsibility for determining the reporting arrangements for the Authority.</p> <p>As with all policy frameworks, all employees will be informed of the changes in the process and will receive any training necessary to support their role in the process.</p>
<b>PROVENANCE SECTION &amp; BACKGROUND PAPERS</b>	<p>The current Corporate Risk Management Policy was approved at the 18 March 2015 Executive Committee:  <a href="https://bucksfire.gov.uk/documents/2020/03/180315_exec_committee_papers.pdf/">https://bucksfire.gov.uk/documents/2020/03/180315_exec_committee_papers.pdf/</a></p> <p>CFA Members were last updated on the status of the Authority's Corporate Risks at the 22 July 2020 Overview &amp; Audit Committee and will be updated again at the 17 March 2021 meeting.</p>
<b>APPENDICES</b>	<ol style="list-style-type: none"> <li>1. Annex A: Distribution of Corporate Risks at 20 October 2020 SMB meeting.</li> <li>2. Annex B: 12 Month View of Changes to Corporate Risks</li> <li>3. Annex C: Corporate Risk Register Report</li> </ol>
<b>TIME REQUIRED</b>	10 Minutes
<b>REPORT ORIGINATOR AND CONTACT</b>	Stuart Gowanlock, Corporate Planning Manager

<b>Fin 14 – Funding and Savings Requirement</b>	Director Finance & Assets	The funding settlement now assumes that a council tax increase is required each year in line with the prevailing capping limit, currently 2% for the Fire Authority, and that local growth meets expectations.  If either, or both, did not come to fruition then there is a risk the Authority will not meet its commitment to the PSP 2020 - 25 and that a fundamental re-think of service provision would be required.	(4)	(4)	(16)	H	Proactive management of the MTFP is in force and is very closely aligned to workforce planning.  For the present, USAR (S31) grant funding is assumed to continue, though notification now seems to be year on year and often after budget setting. If removed, the Authority will need to cope with a circa £800k cut in funding.  The Authority has responded to consultations and lobbied MPs to increase the referendum threshold for fire authorities to £5.	<b>R</b>	<p><b><u>14 January 2020 SMB</u></b></p> <p>On 17 December 2019, HMICFRS published the report on the outcomes of its inspection of the Service. Amongst other things, it corroborated the Service’s position that it requires additional funding.</p> <p>On 20 December 2019, the Government published the provisional local government finance settlement for 2020-21. The proposed referendum principles for fire and rescue services is that any increases in Council Tax are limited to less than 2% (the threshold for the previous two years was 3%). Official confirmation that the pension grant funding will continue into 2020-21 has not yet been received, although this is expected before the final settlement.</p> <p><b><u>11 February 2020 SMB</u></b></p> <p>On 6 February 2020, the Government published the Final local government finance settlement: England, 2020 to 2021 via a written statement to Parliament (the debate on this is due to take place on 12 February 2020). The statement confirmed the referendum principles for fire and rescue services would be 2%.</p> <p>On 6 February 2020, the Home Office also formally confirmed that the same amounts of pension grant funding will be paid for 2020-21 as were paid in 2019-20.</p> <p><b><u>12 May 2020 SMB</u></b></p> <p>The immediate costs relating to COVID-19 have been covered by the additional grant funding provided by Government. However, there is a significant risk to future funding levels, as Council Tax and business rates revenues are likely to fall and Government funding may also be decrease. It is also unlikely that a Comprehensive Spending Review will be completed in</p>

									<p>time for 2021-22, adding further uncertainty to the current financial outlook.</p> <p><b><u>23 June 2020 SMB</u></b></p> <p>No change to risk score or evaluation</p> <p><b><u>25 August 2020 SMB.</u></b></p> <p>On 21 July 2020 The Chancellor launched the 2020 Comprehensive Spending Review (CSR). The review will set UK Government departments’ resource budgets for the years 2021/22 to 2023/24. It is expected the Provisional Settlement, which will detail the budgets for the Service for those years, will be announced in late December 2020.</p> <p><b><u>22 September 2020 SMB</u></b></p> <p>No change to position reported at last meeting. No changes to risk score / RAG status recommended at this time.</p> <p><b><u>20 October 2020 SMB</u></b></p> <p>The Draft Financial Strategy was approved by SMB for recommendation to the Executive Committee and Fire Authority. The Strategy presents multiple financial scenarios with potential actions that the Service could take in relation to each.</p> <p><b><u>21 October 2020 Update</u></b></p> <p>The Government announced that the Chancellor has decided to conduct a one-year Spending Review. The Review will conclude in “late November” and we therefore expect the Local Government Finance Settlement will be announced in late December.</p>

<p><b>Information Management* / Security failure to -</b></p> <p><b>a) comply with statutory or regulatory requirements</b></p> <p><b>b) manage technology</b></p> <p><b>c) manage organisational resources</b></p> <p>Deliberate: unauthorised access and theft or encryption of data.</p> <p>Accidental: loss, damage or destruction of data</p>	<p>Senior Information Risk Owner (SIRO)</p> <p>Director Legal &amp; Governance</p>	<ul style="list-style-type: none"> <li>Inability to access/use our e-information systems.</li> <li>Severe financial penalties from the Information Commissioner</li> <li>Lawsuits from the public whose sensitive personal information is accessed causing damage and distress.</li> </ul> <p>*Information management is concerned with the acquisition, custodianship and the distribution of information to those who need it, and its ultimate disposition through archiving or deletion. Information security is the practice of protecting information by mitigating risks such as unauthorised access and its unlawful use, disclosure, disruption,</p>	(4) <b>3</b>	(4) <b>4</b>	(16) <b>12</b>	(H) <b>M</b>	<p><b>1. Appropriate roles:</b></p> <ul style="list-style-type: none"> <li>SIRO has overall responsibility for the management of risk</li> <li>Information and information systems assigned to relevant Information Asset Owners (IAO's)</li> <li>Department Security Officer (DSO) the Information Governance &amp; Compliance Manager has day-to-day responsibility for the identification of information risks and their treatments</li> <li>'Stewards' assigned by IAO's with day-to-day responsibility for relevant information.</li> </ul> <p><b>2. Virus detection/avoidance:</b></p> <p>Anti-Malware report – no significant adverse trends identified which indicates that improved security measures such as new email and web filters are being successful in intercepting infected emails and links;</p> <p><b>3. Policies / procedure:</b></p> <p>Comprehensive review and amendment of the retention and disposal schedules / Information Asset Registers,</p> <ul style="list-style-type: none"> <li>current and tested business continuity plans / disaster recovery plans</li> <li>employee training/education</li> <li>tested data/systems protection clauses in contracts and data-sharing agreements</li> <li>Integrated Impact Assessments (IIA)</li> <li>disincentives to unauthorised access e.g. disciplinary action</li> </ul> <p><b>4. Premises security:</b></p> <ul style="list-style-type: none"> <li>Preventative maintenance schedule</li> <li>Frequent audits at Stations and inventory aligned to asset management system.</li> <li>Reduction in the number of CCTV requests following improved education and guidance in relation to the use of the same;</li> </ul>	<b>A</b>	<p><b>11 February 2020 SMB</b></p> <p>A report of data breaches reported to the Information Commissioners Office in 2019 found that nine out of ten of the 2,376 breaches were owing to “mistakes by users”. Phishing was named as the main cause of breaches.</p> <p><b>12 May 2020 SMB:</b></p> <p>Threats to our network and systems are particularly disruptive during the coronavirus crisis when rules and guidance are dynamic and subject to frequent updates. (Refer to note 14 January);</p> <p>The use of video conferencing has not been commonplace across the Authority and most employees are unfamiliar with conferencing tools to be aware of additional security risks; employees failing to familiarise themselves with Authority policies and procedures and instructions put the Authority at risk. It is important to remember that privacy laws have not been suspended and new or amended procedures involving personally identifiable information must be impact assessed before changes are made.</p> <p><b>23 June 2020 SMB</b></p> <p>As the use of video conferencing becomes more commonplace across the Authority its use has grown exponentially so that meetings are replacing telephone and email communications. This has enabled all relevant parties to interact concurrently rather than consecutively and issues are resolved with fewer iterations. No change to risk score or evaluation.</p>

**Annex C - Corporate Risk Register – as at 20 October 2020 SMB**

		<p>deletion and corruption. As more and more information is held electronically risks have become systems, as well as process and people based and are therefore vulnerable to cyber-attacks. Cyber-crime is unrelenting and issues arise at a greater frequency than existing intrusion attempts can be resolved. As such, this is a constant on the CRR.</p>					<p>- Premises Security Group re-established to meet on a 3 monthly basis aligned to the PMB meeting schedule.</p> <p><b>5. Training:</b> The biannual “Responsible for Information” training will be supplemented by the National Cyber Security Centre’s new e-learning package 'Top Tips for Staff' which will be built into the Heat training platform as a mandatory biannual package. Cyber-security training, delivered by Thames Valley Police’s cyber security advisor, being rolled out to Leadership Group during September 2020.</p>	<p><b><u>25 August 2020 SMB</u></b> UK partners at the National Security Agency (NSA) and Cybersecurity Infrastructure Security Agency (CISA) have recently warned that cyber actors are targeting critical assets by exploiting internet-enabled operation technology. Tactics, techniques, and procedures include spear phishing, deployment of commodity ransomware and connecting to internet-accessible systems. BFRS will monitor suggested mitigation treatments to identify anything that can be done to strengthen resilience.</p> <p><b><u>22 September 2020 SMB</u></b> Following the discovery of a new technique for introducing malicious documents that has a low detection rate and an increased chance of avoiding security systems, organisations that are still using macros in excel are being advised to develop a strategy to replace them. NCSC has updated their guidance to assist. We believe that our mitigation actions are still effective for the 2020 issues detected. Forcepoint, our email scanning system, checks all incoming (and outgoing emails) and does not allow emails containing macro enabled excel spreadsheets. Any of these received are quarantined and an email to the ICT Service Desk is automatically created.</p> <p><b><u>20 October 2020 SMB</u></b> Risk description updated to include wider information management as well as security risks.</p>

Risk Description	Resp.	Consequences if Untreated	Risk Score (Former) / New			Risk Level	Current Treatment	RAG	Comments / Further Treatment Proposed
			P	I	Σ	HML			
Risk of physical disruption to Service operations due to no, or insufficiently comprehensive agreement covering future UK relations with the EU.	Heads of Prevention, Response & Resilience and Protection & Assurance.	<p>Disruption to procurement processes leading to potential shortages of equipment or consumables.</p> <p>Disruption to transportation delaying personnel and or vehicle movements.</p>	(4) (3) <b>4</b>	(2) (2) <b>2</b>	(8) (6) <b>8</b>	(M) (L) <b>M</b>	<p>The likely impact of short-term disruption to supplies of equipment to the Service is considered to be low given that: most Authority procurement contracts are with UK based suppliers; and, the relatively long timescales for procurement within the sector. Advice and guidance from the NFCC and Fire Industries Association in relation to this risk is monitored and acted on as required.</p> <p>The risk of transport disruption is considered relatively low due to absence of ports and international airports within the area served by the Authority. Authority officers are actively involved in TVLRF risk evaluation and mitigation planning for the wider Thames Valley area.</p>	<b>A</b>	<p><b>11 June 2020 PMB</b> In light of the current state of negotiations between the UK and EU regarding their future relationship, PMB recommended increasing the risk probability score to 4 which raises the RAG status to Amber.</p> <p><b>23 June 2020 SMB</b> SMB approved the increase in the risk probability score to 4. It was also noted that ongoing free trade negotiations with other countries such as the USA, Japan and Australia, that are being pursued in parallel with the UK – EU ones, could have implications for existing EU / UK focused supply chains, with the potential for changes to costs and standards associated with materials and end-products used in the fire sector. The CFO is monitoring these via the NFCC.</p> <p><b>25 August 2020 SMB</b> The seventh round of UK – EU future relationship negotiations took place between 18-21 August with a view to securing an agreement by end October. Officers continue to monitor developments. No change to risk score recommended at this time.</p> <p><b>22 September 2020 SMB</b> In the reasonable worst-case scenario (RWCS) no-deal scenario following the leave date, the UK will revert fully to 'third country' status with no privileged relationship with the EU and minimal goodwill among EU Member States. Regional traffic disruption caused by border delays could affect fuel distribution within</p>

**Annex C - Corporate Risk Register – as at 20 October 2020 SMB**

									<p>the local area, particularly if traffic queues in Kent block the Dartford crossing, which would disrupt fuel supply in London and the South East. In addition, customer behaviour could lead to local shortages in parts of the country.</p> <p>The European Commission may not have made a GDPR adequacy decision with regard to the UK before exit. Alternative legal bases for data transfer are available but where organisations do not ensure these are in place there could be instances of disruption, across a wide range of UK sectors, to the flow of personal data from the organisations in the EU. These may not materialise immediately but could multiply quickly if they did, potentially disrupting critical services, public and private, until mitigations are put in place.</p> <p><b><u>8 October 2020 PMB</u></b></p> <p>The potential for direct effects on the Service have been considered by our Information Governance &amp; Compliance Manager who advises that even if there are significant delays in getting an adequacy decision, it is unlikely to affect our current /planned management of personal data as we do not operate within the EEA. Also, even if it were to do so, we would manage data transfers through contractual arrangements.</p>

			P	I	Σ				
Risk of resurgence of Covid-19 and / or seasonal influenza in Autumn / Winter 2020.	Chief Operating Officer	Increased levels of sickness absence amongst staff.  Potential degradation of capacity or capability to deliver key services to the public and / or sustain supporting functions.	4	3	12	M		<p><b><u>11 June 2020 PMB</u></b> Overall risk assessment indicates high probability but medium impact based on current experience of operating under Covid-19 lockdown conditions. Staff and appliance availability have remained high. However, it has been necessary to scale back non-emergency service provision to the public and divert resources to support other agencies such as the ambulance service with response to the pandemic. PMB recommend that SMB approve this risk for inclusion in the Corporate Risk Register.</p> <p><b><u>23 June 2020 SMB</u></b> Risk and accompanying evaluation approved for inclusion in the Corporate Risk Register.</p> <p><b><u>25 August 2020 SMB</u></b> Officers continue to monitor developments internationally, nationally and locally via the TVLRF. In addition to the re-imposition of quarantine requirements for travellers returning from some overseas countries, local lockdowns have been imposed in a number of localities around the UK in recent weeks with the likelihood of more emerging. Locally, Milton Keynes has been identified as an 'area of concern' by PHE. Preparations to respond to any significant local outbreak continue apace with BFRS chairing the TVLRF Local Outbreak Management Group (LOMG). An LRF exercise has been planned for 3 September 2020.</p> <p><b><u>22 September 2020 SMB</u></b> Concurrent risks associated with autumn and winter, such as adverse weather, flooding and seasonal flu as well as a potential 2<sup>nd</sup></p>	

**Annex C - Corporate Risk Register – as at 20 October 2020 SMB**

								<p>wave of Covid 19 could exacerbate a number of impacts and stretch resources of partners and responders.</p> <p><b>8 October PMB / 20 October 2020 SMB</b></p> <p>Potential to mitigate the staff availability risk by securing priority access to national Covid-19 testing is being limited due to diverted laboratory capacity to higher risk areas. Capacity within the Thames Valley area is therefore significantly reduced. National testing capacity is steadily improving, however, working in partnership with colleagues within Bucks Health Trust as part of a local testing task and finish group, we have been able to secure up to 17 daily local tests for symptomatic BFRS staff; prioritised to the operational frontline and control room, but also available to Protection and support staff. Access to these tests is expected by the end of October 2020. Other mitigating measures include a refreshed approach to staff working effectively from home wherever possible, a collective drive to achieve and maintain COVID-19 Secure premises across all Authority sites, and a risk assessed approach to delivering our range of services in a COVID-19 secure way.</p>
