

# Buckinghamshire & Milton Keynes Fire Authority

---

**Meeting and date:** Overview and Audit Committee, 10 November 2021

**Report title:** Corporate Risk Management

**Lead Member:** Health, Safety and Corporate Risk

**Report sponsor:** Graham Britten, Director of Legal & Governance

**Author and contact:** Stuart Gowanlock, Corporate Planning Manager

[sgowanlock@bucksfire.gov.uk](mailto:sgowanlock@bucksfire.gov.uk)

**Action:** Decision

**Recommendations:**

1. That the status on identified corporate risks at Annex C be reviewed and approved.
2. That comments be provided to officers for consideration and attention in future updates/reports.

---

**Executive summary:**

This report provides an update on the current status of identified corporate risks. Risk registers are maintained at project, departmental and directorate levels. Corporate risks are those that have been escalated from these levels for scrutiny by the Strategic Management Board (SMB) because of their magnitude, proximity or because the treatments and controls require significant development.

Officers draw on a range of sources to assist with the identification and evaluation of corporate risks. For example, membership of the Thames Valley Local Resilience Forum (TVLRF)'s Strategic Coordinating Group (SCG) facilitates active monitoring of a range of risks with the potential for impacts on local communities and services including, at the present time, Coronavirus (COVID-19).

Involvement with the Local Resilience Forum directly links officers into national Government agencies and departments such as Public Health England and the Ministry of Housing, Communities and Local Government. This allows the sharing of intelligence and information with those who are making decisions at the very highest levels.

The TVLRF SCG enables its partners to jointly develop combined responses to civil emergencies, and strategic consequence management. This multi-agency partnership approach helps target activity directly to the needs of the public.

The Corporate Risk Register was last reviewed by the Overview and Audit Committee at its 21 July 2021 meeting. Since then, it has been subject to regular review by the Performance Monitoring Board (PMB), at which all the directorate and departmental risk registers are reviewed, and by SMB at its monthly meetings. Also, Lead Members have been consulted during the evaluation process for risks falling within their portfolios of responsibility.

Following the review, debate and decisions made at the 21 July Overview and Audit Committee meeting:

- the EU transition risk was transferred from the Corporate Risk Register to the Prevention, Response and Resilience Risk Register for continued monitoring by officers; and,
- A Climate Change Action Plan has been prepared (shown at agenda item 12), which sets out how the Authority will respond to climate change through:
  - Adaptation – optimising Buckinghamshire Fire and Rescue Service’s response to extreme weather events such as flooding and wildfires;
  - Mitigation - taking action to reduce its own carbon emissions, while encouraging its staff and communities to do the same.

Also, since the last Overview and Audit Committee review:

- The staff availability risk has been reviewed and updated to reference the upcoming firefighter recruitment initiative (see page 2 of Appendix 3);
- The potential impact of the Government’s increase to National Insurance costs has been considered in relation to the funding and savings risk. Currently this is considered likely to be neutral due to an offsetting Government grant provision. The timing and scope of the upcoming Comprehensive Spending Review is also confirmed (see page 4 of Appendix 3);
- The Information Management and Security risk has been updated to reflect recent national threat assessments and measures taken to raise staff awareness of potential threats including online training requirements (page 6 of Appendix 3);
- The Covid-19 resurgence risk updated to reflect the resumption of activities paused or scaled back, together with measures in place to control risks to the public and Service staff (page 8 of Appendix 3); and,
- The latest position in relation to the impact of the McCloud / Sargeant rulings on the administration of firefighter pension schemes included (page 10 of Appendix 3).

The current distribution of corporate risks relative to probability and potential impact is shown at Appendix 1.

Changes to the corporate risk ratings over the last year are shown at Appendix 2.

Detailed assessments of identified corporate risks are shown in the Corporate Risk Register at Appendix 3.

The next Overview and Audit Committee review is scheduled for 16 March 2022.

**Financial implications:**

No direct financial implications arising from the presentation of this report. It is envisaged that the further development of the Authority's corporate risk management framework will be undertaken from within agreed budgets.

**Risk management:**

The development, implementation and operation of effective corporate risk management structures, processes and procedures are considered critical to assure continuity of service to the public, compliance with relevant statutory and regulatory requirements and the successful delivery of the Authority's strategic aims, priorities and plans.

**Legal implications:**

None directly arising from this report. Any legal consequences associated with the crystallisation of individual risks are detailed in the Risk Register report at Appendix 3.

Within the role description of a Lead Member is a requirement 'to attend the Overview and Audit Committee, at its request, in connection with any issues associated with the portfolio which is the subject of scrutiny'

**Privacy and security implications:**

None directly arising from the presentation of this report. However, potential risks to privacy and security together with mitigating actions are captured within applicable risk evaluations.

**Duty to collaborate:**

The potential to share corporate risk intelligence with neighbouring fire and rescue services and other relevant agencies will be considered. Buckinghamshire and Milton Keynes Fire Authority already participates in the multi-agency Thames Valley Local Resilience Forum which produces a Community Risk Register which is among the sources used to identify potential risks to the Authority.

**Health and safety implications:**

Development of the framework does not impact directly on the legal compliance to health and safety, however if risks are not appropriately identified or evaluated then this may present Health and Safety risks.

**Environmental implications:**

None directly arising from the presentation of this report. However, potential environmental implications together with mitigating actions are captured within applicable risk evaluations.

**Equality, diversity, and inclusion implications:**

No direct implications from the presentation of this report. However, risks to achieving the Authority's equality, diversity and inclusion objectives or compliance with relevant statutes or regulations are identified assessed and managed via this process and are currently monitored within the HR Risk Register.

### Consultation and communication:

Senior managers and principal officers are key stakeholders in the development of the corporate risk management framework and have an active role in this at every stage as well as in ongoing identification, evaluation and monitoring of corporate risks. The Lead Member is also be involved in the development of the framework with particular responsibility for determining the reporting arrangements for the Authority.

### Background papers:

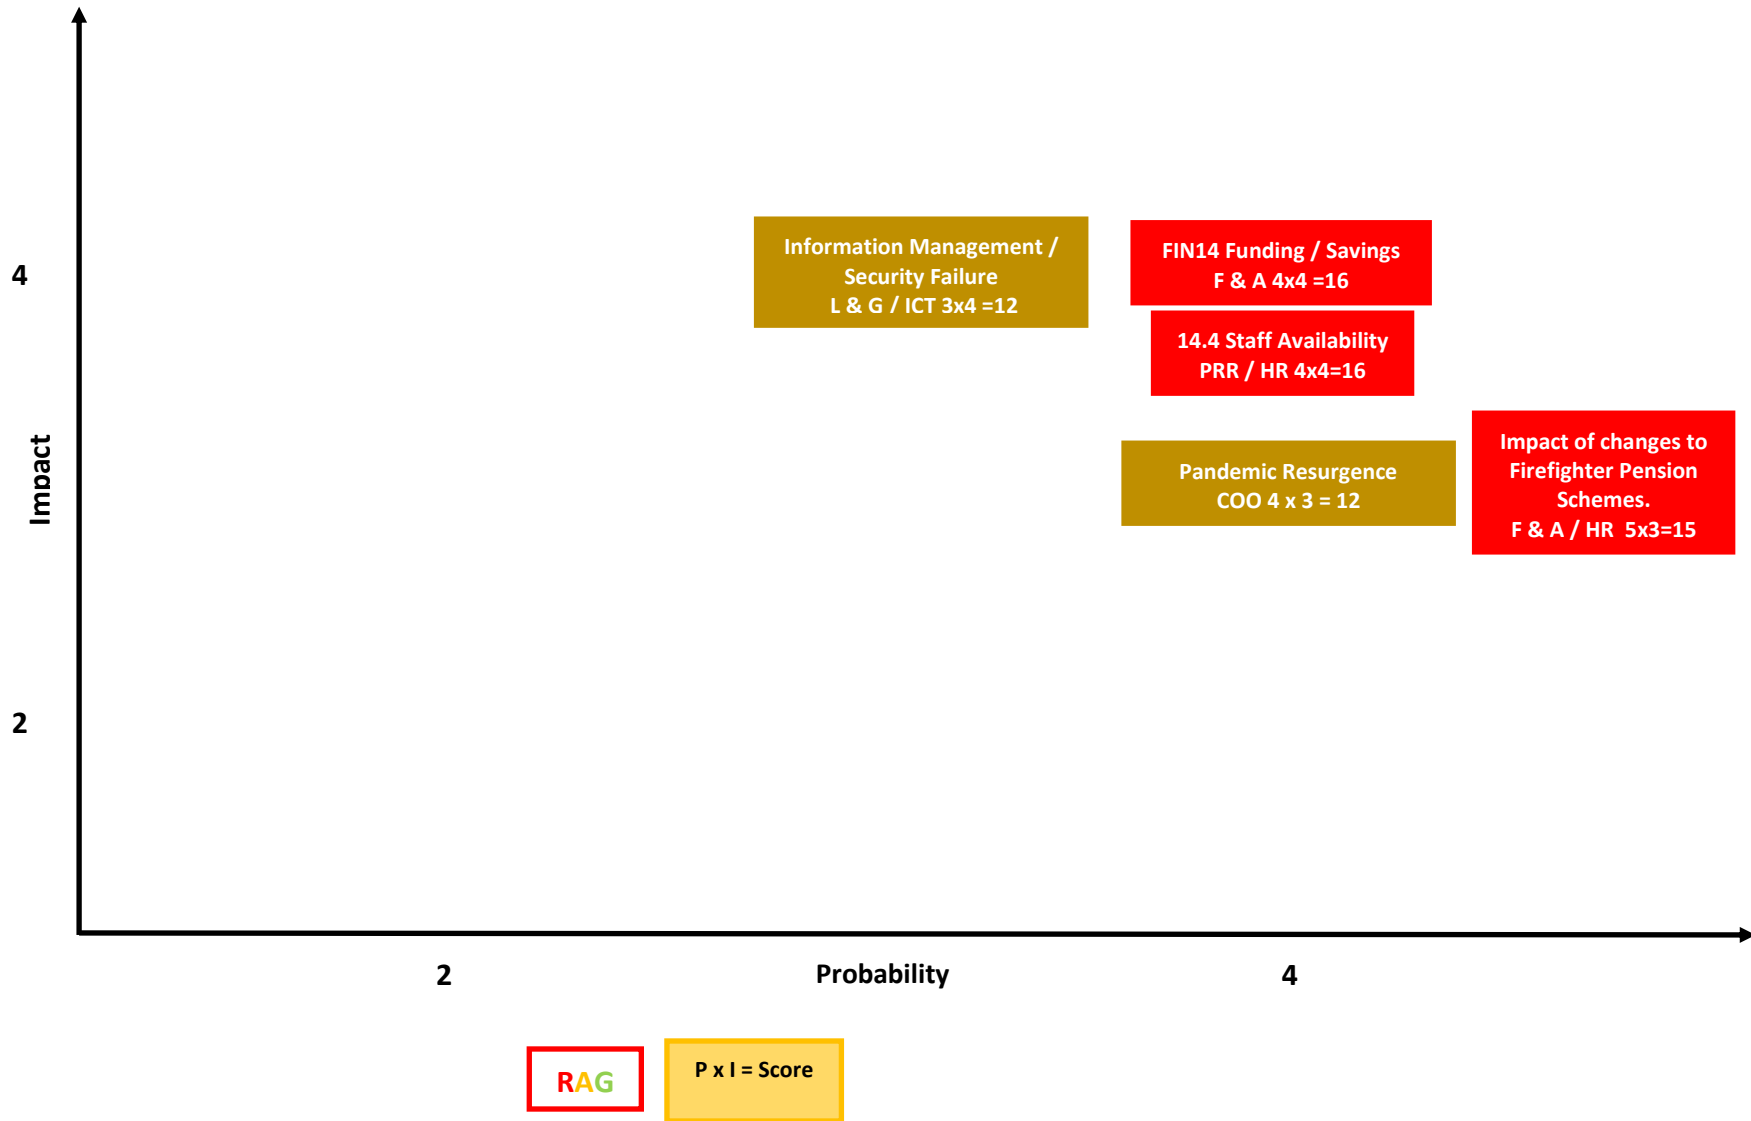

The current Corporate Risk Management Policy was approved at the 24th March 2021 Executive Committee:

<https://bucksfire.gov.uk/documents/2021/03/ec-240321-item-5.pdf/>

CFA Members were last updated on the status of the Authority's Corporate Risks at the [21 July 2021](#) Overview & Audit Committee.

			P	I	Σ				
<b>Fin 14 – Funding and Savings Requirement</b>	Lead Member for Finance and Assets, Information Security & IT	The funding settlement now assumes that a council tax increase is required each year in line with the prevailing capping limit, currently 2% for the Fire Authority, and that local growth meets expectations.	(4)	(4)	(16)	H	Proactive management of the MTFP is in force and is very closely aligned to workforce planning.	<b>R</b>	<p><b><u>22 September 2020 SMB</u></b> No change to position reported at last meeting. No changes to risk score / RAG status recommended at this time.</p> <p><b><u>20 October 2020 SMB</u></b> The Draft Financial Strategy was approved by SMB for recommendation to the Executive Committee and Fire Authority. The Strategy presents multiple financial scenarios with potential actions that the Service could take in relation to each.</p> <p><b><u>21 October 2020 Update</u></b> The Government announced that the Chancellor has decided to conduct a one-year Spending Review. The Review will conclude in “late November” and it is therefore expected that the Local Government Finance Settlement will be announced in late December.</p> <p><b><u>19 January 2021 SMB</u></b> On 17 December 2020, the Government published the provisional local government finance settlement for 2021-22. The proposed referendum principles for fire and rescue services is that any increases in Council Tax are limited to less than 2% (same as for 2020-21). In a letter dated 24 December 2020, the Minister confirmed that the pensions grant will continue to be paid next year, at the same allocations as last year, and will be baselined into the local government finance settlement from 2022-23.</p> <p><b><u>16 February 2021 SMB</u></b> Final figures received from the billing authorities on council tax and business rates result in an overall budget deficit of circa £1.1m for 2021-22. However, there is still a great deal of uncertainty over the level of support available from the Government, which will in-part depend on the outturn position of the collection funds for 2020-21. The level of business rates funding could be especially volatile and will</p>
			(3)	(4)	(12)	M			
			(3)	(4)	(12)	M			
	Director Finance & Assets	If either, or both, did not come to fruition then there is a risk the Authority will not meet its commitment to the PSP 2020 - 25 and that a fundamental re-think of service provision would be required.	<b>4</b>	<b>4</b>	<b>16</b>	<b>H</b>			
						The Authority has responded to consultations and lobbied MPs to increase the referendum threshold for fire authorities to £5.			
						As part of the budget setting process, Officers will seek to identify savings opportunities to address the deficit in the overall revenue budget for potential implementation in 2022-23.			

**Appendix 3 - Corporate Risk Register – as at 19 October 2021**

									<p>require close attention over the coming years due to the substantial level of provisions for bad debts and appeals contained within the figures that have been provided.</p> <p><b><u>13 April 2021 SMB</u></b>                  The Director of Finance &amp; Assets advised that some sundry revenue receipts have been identified or received but these are not material to the strategic financial outlook for the Authority. No change to risk score or RAG status recommended at this time.</p> <p><b><u>22 June 2021 SMB</u></b>                  The Government has declared it is looking to rule out material change of circumstances appeals in relation to Covid-19, which should lead to an improvement to the business rates collectable for 2022-23.                  Support staff pay has increased by 2% in line with the final year of the three-year pay deal. The NJC has agreed a pay increase of 1.5% for grey book staff and brigade managers. The Authority had budgeted for 0%, in line with the Government’s declared pay pause. This will therefore be an in-year pressure for 2021-22 as well as increasing costs in future years.</p> <p><b><u>21 September 2021 SMB</u></b>                  An initial evaluation of the potential impact of the Government’s recent announcement of increases to employer National Insurance contributions would indicate an increase in revenue costs of c. £150k-£200k. However, Officers current understanding is that local government organisations will be reimbursed for increased employer costs by way of a central government grant.</p> <p><b><u>19 October 2021 SMB</u></b>                  It has been confirmed that the Comprehensive Spending Review 2021 will be a multi-year review covering the financial years 2022-23 to 2024-25. The review will conclude on 27 October 2021, alongside Autumn Budget 2021.</p>

Following the attack on Microsoft by WannaCry ICT are working through application of patches.</p> <p><b>13 April 2021 SMB</b></p> <p>SMB reviewed the risk evaluation in light of the recent 'Qakbot' incident but agreed that no change to the current RAG status / score was required given early detection of the potential vulnerability and steps taken to contain and remove the risk.</p> <p><b>22 June 2021 SMB</b></p> <p>A number of high-profile websites across the globe, including UK government, experienced disruption on 8 June 2021 due to a software bug at 'Fastly' the cloud-computing company. Although BFRS does not use Fastly's services directly the BFRS website nonetheless experienced a very brief outage as a consequence of this highlighting the vulnerability of complex interdependent systems (Fastly operate servers at strategic points around the world to facilitate movement and storage of content close to their end users). However, the main threat remains that of malicious attacks as demonstrated by the recent ransomware attack on the Colonial Pipeline operator which carries 45% of the US east coast's diesel, petrol and jet fuel supplies. The attack disrupted supplies for several days causing fuel shortages.</p>

**Appendix 3 - Corporate Risk Register – as at 19 October 2021**

		<p>deletion and corruption. As more and more information is held electronically risks have become systems, as well as process and people based and are therefore vulnerable to cyber-attacks. Cyber-crime is unrelenting and issues arise at a greater frequency than existing intrusion attempts can be resolved. As such, this is a constant on the CRR.</p>					<p>- Premises Security Group re-established to meet on a 3 monthly basis aligned to the PMB meeting schedule has been suspended during the internal governance review. The associated risks are being monitored.</p> <p><b>5. Training:</b> The biennial “Responsible for Information” training will be supplemented by the National Cyber Security Centre’s new e-learning package ‘Top Tips for Staff’ which has been built into the Heat training platform as a mandatory biennial package. Cyber-security training, delivered by Thames Valley Police’s cyber security advisor, rolled out to members of the Leadership Group during September 2020. Further training planned for 21/22.</p>	<p><b><u>24 August 2021 SMB</u></b> Employees in the Leadership Group were written to reminding them of the need for them and their teams to complete two mandatory e-learning packages in a 2-year cycle: ‘Responsible for information – General Users’ and ‘Stay Safe Online: Top Tips for Staff’ to assist in protecting the cybersecurity of the organisation as well as protecting employees in their on-line activities outside of work.</p> <p><b><u>19 October 2021 SMB</u></b> On 11 October the head of the National Cyber Security Centre (NCSC) stated at the Chatham House Cyber Conference that “ransomware presents the most immediate danger to the UK, UK businesses and most other organisations – from FTSE 100 companies to schools; from critical national infrastructure to local councils.”; and that “... UK’s response to these threats is resilience. We need the UK’s public sector to be the best defended [from cyber-attack] in the world”.</p>

**Appendix 3 - Corporate Risk Register – as at 19 October 2021**

Risk Description	Resp.	Consequences if Untreated	Risk Score (Former) / New			Risk Level	Current Treatment	RAG	Comments / Further Treatment Proposed
			P	I	Σ	HML			
<b>Risk of resurgence of Covid-19 and / or seasonal influenza in Autumn / Winter 2020 and into 2021.</b>	Lead Member for Health and Safety and Corporate Risk	Increased levels of sickness absence amongst staff.	(4)	(3)	(12)	M	<p>In addition to controls identified for existing staff availability risk (see page 1-2 above):</p> <ul style="list-style-type: none"> <li>Maintenance of current social distancing and sanitisation regimes in all Authority workplaces.</li> <li>Remote working for functions that do not require physical presences in Authority workspaces.</li> <li>Risk assess and prioritise non-emergency services requiring physical contact with the public, suppliers, partner agencies etc.</li> <li>Provision of appropriate PPE for staff required to work in close proximity with the public.</li> <li>Appliance / service availability degradation planning.</li> <li>Free seasonal flu jabs available to all staff.</li> <li>Covid-19 app rolled out to all sites, and pushed to all Authority phones</li> <li>Lateral flow testing available to all staff via workplace collect scheme.</li> </ul>	A	<p><b>16 February 2021 SMB</b> The Service continues to deploy safeguarding measures for staff to protect them from the effects of COVID-19 due to the virus being unknowingly spread. Lateral Flow Testing has now been made available to all staff and will help to identify anyone in the workplace who may not be displaying any symptoms (asymptomatic). Furthermore, effective working with colleagues within the NHS and CCGs, has enabled 263 staff, to be offered the COVID vaccine earlier than would otherwise have been expected by drawing on unused capacity within vaccine batches. This equates to 54% of the establishment / workforce.</p> <p><b>13 April 2021 SMB</b> The Head of Covid 19 Preparedness &amp; Response updated on plans to introduce arrangements for staff to undertake lateral flow tests at home, through the Workplace Collect programme, in association with the Dept of Health and Social Care (DHSC). Although current direction of travel in relation to Covid recovery aligned to Government road-map is positive it was agreed that the current risk score would remain but be kept under review in light of external developments.</p> <p><b>22 June 2021 SMB</b> Officers continue to monitor developments in relation to the Government’s recovery road-map and potential delays to the relaxation of ‘lockdown’ measures in light of the rise in Delta variant infections. No change to risk score or evaluation at this time.</p>
	Chief Operating Officer	Potential degradation of capacity or capability to deliver key services to the public and / or sustain supporting functions.							

**Appendix 3 - Corporate Risk Register – as at 19 October 2021**

									<p><b><u>6 July 2021 Update</u></b>                  The Parliamentary decision on whether to move to step four on 19 July will be taken on 12 July. The pandemic management group continue to monitor the risks to staff and will ensure the appropriate controls remain in place as wider social restrictions are lifted.</p> <p><b><u>24 August 2021 SMB</u></b>                  On 2 August the Service’s strategy for ongoing mitigation of Covid risks was released following the Government’s move to ‘Step 4’ from 19 July.</p> <p><b><u>19 October 2021 SMB</u></b>                  Throughout the different phases of the Covid pandemic the Service has taken a measured approach to reintroducing activities previously paused or restricted. Following the Government’s announcement in relation to its Autumn / Winter plan, we are now at the stage whereby all our business-as-usual activities can resume, so long as we continue to consider our own safety and that of the communities we serve, by accepting a well-embedded range of Covid-19 controls. Furthermore, despite the increase in the number of Covid cases across both Buckinghamshire and Milton Keynes, this has not seen in a rise in Covid related absence amongst staff.</p>
