Dear Neil,

Buckinghamshire & Milton Keynes Fire and Rescue Authority - Audit for the year ended 31 March 2021

This letter of representations is provided in connection with your audit of the consolidated and [Authority] financial statements of Buckinghamshire and Milton Keynes Fire Authority ("the Authority") for the year ended 31 March 2021. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the Authority's financial position of Buckinghamshire and Milton Keynes Fire Authority as of 31 March 2021 and of its financial performance (or operations) and its cash flows for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing, which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with, the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.
2. We acknowledge, as members of management of the Authority, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Authority, the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21, and are free of material misstatements, including omissions. We have approved the financial statements

-
3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
 4. As members of management of the Authority, we believe that we have a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 that are free from material misstatement, whether due to fraud or error. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic on our system of internal controls.
 5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the Authority financial statements taken as a whole. We have not corrected these differences identified and brought to our attention by the Auditor because the differences identified equate to a value that is immaterial. Furthermore, an Internal Audit on Core Financial Controls is carried out annually which audits the adequacy and effectiveness of the system of internal controls. The consistent substantive audit rating gives confidence and reassurance that the systems of controls we have in place to manage and mitigate financial and non-financial risks to the system does not warrant adjusting the immaterial differences identified by the Auditors.

B. Non-compliance with law and regulations, including fraud

1. We acknowledge that we are responsible for determining that the Authority's activities are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Authority (regardless of the source or form and including without limitation, any allegations by "whistleblowers"), including non-compliance matters:
 - involving financial statements;
 - related to laws and regulations that have a direct effect on the determination of material amounts and disclosures in the consolidated or Authority's financial statements;
 - related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Authority's activities, its ability to continue to

operate, or to avoid material penalties;

- involving management, or employees who have significant roles in internal controls, or others; or
- in relation to any allegations of fraud, suspected fraud or other noncompliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

1. We have provided you with:

- Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;

2. All material transactions have been recorded in the accounting records and all material transactions, events and conditions are reflected in the financial statements, including those related to the COVID-19 pandemic.

3. We have made available to you all minutes of the meetings of the Authority, the Executive Committee and the Overview and Audit Committee held through the year to the most recent meeting on the following date: 09 February 2022.

4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Authority's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the year ended, as well as related balances due to or from such parties at the year end. These transactions have been appropriately accounted for and disclosed in the financial statements.

5. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.
