Dear Andrew,

Buckinghamshire & Milton Keynes Fire and Rescue Authority - Audit for the year ended 31 March 2022

This letter of representations is provided in connection with your audits of the financial statements of Buckinghamshire and Milton Keynes Fire Authority ("the Authority") for the years ended 31 March 2021 and 31 March 2022. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements present fairly, in all material respects (or 'give a true and fair view of') the financial position of Buckinghamshire and Milton Keynes Fire Authority as of 31 March 2021 and 31 March 2022 and of its income and expenditure and its cash flows for each of the two years in the period ended 31 March 2022 in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with, the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22.
2. We acknowledge, as members of management of the Authority, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Authority in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, and are free of material misstatements, including omissions. We have approved the financial statements.
3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.

-
4. As members of management of the Authority, we believe that the Authority has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2021/22, that are free from material misstatement, whether due to fraud or error. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic on our system of internal controls.
 5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We have not corrected these differences identified by and brought to the attention from the auditor because this was judgmental difference and matter of professional opinion between the property valuers and auditors on two sites land valuation, which overall the differences identified equate to a value that is immaterial to the accounts.

We confirm the Authority does not have securities (debt or equity) listed on a recognized exchange.

B. Non-compliance with law and regulations, including fraud

1. We acknowledge that we are responsible to determine that the Authority's activities are conducted in accordance with laws and regulations and that we are responsible to identify and address any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. Save from that notified to the auditors in July 2022 that some staff appear not to have been in receipt of correct remuneration for annual leave, dating back over previous financial years (some cases based on contractual entitlement; others based on the interpretation of statutory entitlement), we have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Authority (regardless of the source or form and including without limitation, any allegations by "whistleblowers"), including non-compliance matters:
 - involving financial improprieties;
 - related to laws and regulations that have a direct effect on the determination of material amounts and disclosures in the Authority's financial statements;
 - related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Authority's activities, its ability to continue to operate, or to avoid material penalties;
 - involving management, or employees who have significant roles in internal controls, or others; or

G. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the narrative statement.
2. We confirm that the content contained within the other information is consistent with the financial statements.

H. Comparative Information

In connection with your audit of the comparative financial statements for the year ended 31 March 2021 we represent, to the best of our knowledge and belief, the following:

During the audit it was identified an error in how the historic revaluation reserve values and the current revaluation reserve values were being calculated within the fixed asset register. This has resulted in several presentational errors within the financial statements, however does not impact the closing balances for the Movement in Reserves Statement (MIRS), Comprehensive Income and Expenditure Statement (CIES), Balance Sheet and Note 11 Non-Current Assets for 2021/22.

In addition, it was noted in note 11 it was identified that the disclosure of both the cost and the accumulated depreciation was overstated in both the current year and the prior year. Under the CIPFA Code all accumulated depreciation should be written out on revaluation. The adjustment to the accounts results in a prior period adjustment and an adjustment to the current year draft

accounts to reset the accumulated depreciation balance. There is no impact on the net book value of the property, plant and equipment for 20/21.
