ROLE DETAILS:

Role Title:	Resource Support Officer
Grade:	F
Service area:	Resourcing and Projects
Responsible to:	Resource Management Team – Team Leader

PURPOSE OF THE ROLE: *Why the role exists and what it has to achieve*

To provide effective and efficient running of the Resource Management Team (RMT) / Operational Support Room (OSR) function, to assist and coordinate staff on a day-to-day basis to meet Service delivery expectations and contributing to the efficient running of the RMT / OSR.

Supporting the RMT / OSR Team Leader in determining Service policy and procedures in relation to mobilising, operational response and resource availability.

Ensure that appropriate resilience is maintained in accordance with Service Health, Safety and Welfare guidelines.

To effectively support any RMT / OSR future development and play an integral part in its implementation, taking a key role in the implementation of any new resource management systems and to play an integral part of the continuous improvement and development.

Assisting the RMT / OSR Team Leader and other managers as deemed necessary in the development of plans to deal effectively with operational planning, major incidents planning and in the implementation of business continuity arrangements.

DIMENSIONS OF THE ROLE: *The key statistics associated with the role*

Financial: Responsible for the collation of accurate financial data in respect to the RMT function and ensure all financial data is distributed to Payroll and other stakeholders as appropriate

Staff Responsibilities: There is no direct line management responsibilities, however, the postholder will be required to coordinate and collaborate with managers at all levels across
