Dear Members

Annual Audit Letter 2014/15

The purpose of this annual audit letter is to communicate to the Members and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to the attention of the Authority.

We have already reported the detailed findings from our audit work in our 2014/15 annual results report to the 23 September 2015 Overview and Audit Committee, representing those charged with governance. We do not repeat those detailed findings in this letter.

The matters reported here are the most significant for the Authority.

We would like to take this opportunity to thank the Authority's staff for their assistance during the course of our work.

Yours faithfully

Maria Grindley

Relevant parts of the Audit Commission Act 1998 are transitionally saved by the Local Audit and Accountability Act 2014 (Commencement No. 7, Transitional Provisions and Savings) Order 2015 for 2014/15 audits.

The Audit Commission's 'Statement of responsibilities of auditors and audited bodies' (Statement of responsibilities). It is available from the accountable officer of each audited body and via the [Audit Commission's website](#).

The Statement of responsibilities serves as the formal terms of engagement between the Audit Commission's appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The Standing Guidance serves as our terms of appointment as auditors appointed by the Audit Commission. The Standing Guidance sets out additional requirements that auditors must comply with, over and above those set out in the Code of Audit Practice 2010 (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Annual Audit Letter is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. 1. Executive summary

Our 2014/15 audit work has been undertaken in accordance with the Audit Plan that we issued on 6 May 2015 and is conducted in accordance with the Audit Commission's Code of Audit Practice, International Standards on Auditing (UK and Ireland) and other guidance issued by the Audit Commission.

The Authority is responsible for preparing and publishing its Statement of Accounts, accompanied by an Annual Governance Statement (AGS). In the AGS the Authority reports publically on an annual basis on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in year, and on any planned changes in the coming period. The Authority is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

As auditors we are responsible for:

- forming an opinion on the financial statements and on the consistency of other information published with them;
- reviewing and reporting by exception on the Authority's Annual Governance Statement;
- forming a conclusion on the arrangements the Authority has in place to secure economy, efficiency and effectiveness in its use of resources; and
- undertaking any other work specified by the Audit Commission and the Code of Audit Practice.

Summarised below are the results of our work across all these areas:

Area of work	Result
Audit of the financial statement of Buckinghamshire and Milton Keynes Fire Authority for the financial year ended 31 March 2015 in accordance with International Standards on Auditing (UK & Ireland).	On 23 September 2015 we issued an unqualified audit opinion in respect of the Authority.
Form a conclusion on the arrangements the Authority has made for securing economy, efficiency and effectiveness in its use of resources.	On 23 September 2015 we issued an unqualified value for money conclusion.
Report to the National Audit Office on the accuracy of the consolidation pack the Authority is required to prepare for the Whole of Government Accounts.	We reported our findings to the National Audit Office on 23 September 2015.
Consider the completeness of disclosures on the Authority's Annual Governance Statement, identify any inconsistencies with the other information of which we are aware from our work and consider whether it complies with CIPFA/SOLACE guidance.	No issues to report.
Consider whether, in the public interest, we should make a report on any matter coming to our notice in the course of the audit.	No issues to report.
Determine whether any other action should be taken in relation to our responsibilities under the Audit Commission Act.	No issues to report.

As a result of the above we have also:

Issued a report to those charged with governance of the Authority communicating significant findings resulting from our audit.

Our Audit results report was issued on 23 September 2015 to the Overview and Audit Committee.

Issue a certificate that we have completed the audit in accordance with the requirements of the Audit Commission Act 1998 and the Code of Practice issued by the Audit Commission.

Issued on 23 September 2015.

2. Key findings

2.1 Financial statement audit

The Authority's Statement of Accounts is an important tool for the Authority to show how it has used public money and how it can demonstrate its financial management and financial health.

We audited the Authority's Statement of Accounts in line with the Audit Commission's Code of Audit Practice, International Standards on Auditing (UK and Ireland) and other guidance issued by the Audit Commission and issued an unqualified audit report on 28 September 2015.

Our detailed findings were reported to the 23 September 2015 Overview and Audit Committee.

The main issue identified as part of our audit was:

Significant risk 1: Risk of management override

Our testing gave us no concerns as to management override through inappropriate or biased management decisions.

2.2 Value for money conclusion

We carry out sufficient and relevant work to conclude whether the Authority has put in place proper arrangements to secure economy, efficiency and effectiveness in the use of resources. This is known as our value for money conclusion.

In accordance with guidance issued by the Audit Commission, our 2014/15 value for money conclusion was based on two criteria. We consider whether the Authority had proper arrangements in place for:

- ▶ securing financial resilience; and,
- ▶ challenging how it secures economy, efficiency and effectiveness

We did not note any issues from our audit. We issued an unqualified value for money conclusion on 23 September 2015.

Whole of Government Accounts

The NAO reporting instructions were amended this year and we were only required to report to the NAO on an exception basis if there were significant issues or outstanding matters arising from our work. There were no such issues.

Annual Governance Statement

We are required to consider the completeness of disclosures in the Authority's annual governance statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it complies with relevant guidance.

We completed this work and did not identify any areas of concern.

2.3 **Objections received**

We did not receive any objections to the 2014/15 financial statements from members of the Public.

2.4 **Other powers and duties**

We identified no issues during our audit that required using powers under the Audit Commission Act 1998, including reporting in the public interest.

3. Control themes and observations

As part of our work, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to you significant deficiencies in internal control identified during our audit.

We did not identify any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in the Authority's financial statements of which it was not already aware.
